

# Going Deeper

Alice visits an upside down, topsy turvy world. Jesus came to this earth to turn everything on its head. What did this look like? What does it look like today?

The golden afternoon flowers taught Alice things. Jesus said, "Consider the lilies of the field and learn from them" (Matthew, Chapter 6, verse 28. What can creation teach us?

Even though she created Wonderland, there were times when Alice didn't fit it. Have there been times when you felt that you didn't fit in or that you were misunderstood? What did you do? Read Romans 12:2. How does it make you feel?

# The Big Question

Everything was always the Queen's way, or it was off with your head! What would the world look like if we all lived God's way?

## Family Film Night

# ALICE IN Wonderland

Wondering with Alice

# Activities

**Design your own Wonderland!**  
What will it look like? Is there a special entrance? Will there be a special language that everyone speaks?

# Wondering

Alice gives herself some good advice (even if she rarely follows it). What advice would you give yourself?

## Step 1

Have your own tea party!  
Have some costumes, food, decorations and playing cards!

## Step 2

Snuggle in and watch the film!

## Step 3

Have a chat (perhaps while your doing activities). What spoke to you in the film? Where do you see yourself/God in the film?

## Step 4

Have a go at some of the activities!

## Make some things for your Wonderland!

You could make some flowers using tissue paper and pipe cleaners.  
Make some hats out of tissue paper (like Christmas hats) or card for your tea party).  
Draw a teapot and decorate it.

When Alice meets the caterpillar, the caterpillar asks her, "Who are you?". How would you answer the caterpillar?

## Become the Tweedles!

Be like Tweedle Dee and Tweedle Dum, make up some silly riddles, stories and jokes.

Not everything in Wonderland made sense. What are things that don't make sense to you?
