

Going Deeper

In the book of Jeremiah, chapter 29, verse 11, we read of God's purpose for our lives. What do you think the purpose of the human race is? What is your purpose?

Read Matthew, chapter 12, verses 46-50. We are all a part of God's family. What does that mean to you as a family?

Lilo's prayer - "It's me again. I need someone to be my friend. Someone who won't run away. Maybe send me an angel! The nicest angel you have". Sometimes, the answer to our prayer isn't exactly what we thought it would be, but God gives us what we need. Read Philippians, chapter 4, verse 6.

What are you praying for at the moment? What/who do you always pray for?

The BIG Question

For Lilo, Nani and Stitch, Ohana means family. Family means nobody gets left behind or forgotten. What does family mean to you?

Fun fact!

The name Lilo in Hawaiian can be interpreted as Lost - so the film is about being lost and joined (stitched) together!

ALOHA

Step 1
Have your own Hawaiian themed party! Make your own decorations with flowers. Perhaps have a hawaiian pizza and some mocktails!

Step 2
Snuggle in and watch the film!

Step 3
Have a chat (perhaps while you're doing the activities). What spoke to you in the film? Where do you see yourself or God in the film?

Step 4
Have a go at some of the activities!

Activities

Design your own surfboard.

Draw a surfboard onto card (back of a cereal box will work) and make your own design. What colours will you use? Will it have a picture on it?

Create your own alien.

Make your own alien! What will it look like? How many legs, arms and eyes will it have? Will it be quiet or full of mischief? You could make some alien slime to go with it (especially useful if your alien sneezes).

Family Photo

If you're having an Hawaiian party, why not get a family photo of everyone dressed up. You could include the decorations you made, your surfboard and your alien!

Wondering

Lilo said, "It's nice to live on an island." What do you think would be nice about living on an island? If you could live anywhere, where would it be?

Stitch became a part of Lilo and Nani's family. Then their family grew even more with Pleakley, Jumba, Cobra Bubbles and David joining them. Who is your family (related or not)? What do you celebrate about your family?

What do you love most about your family (related or not)?
