

Going Deeper

Barney tells Ron that a best friend knows everything about you. Read Psalm 139; verses 1 to 6. How does it make you feel to know that God knows everything about you and loves you?

When Jesus chose his twelve disciples, what did he look for in his new friends? What do you look for in your friends?

Ron downloads his code into all the other B-Bots. I wonder how this is similar to God's Holy Spirit 'downloading' God's code into our lives? What does that look like to you?

The BIG Question

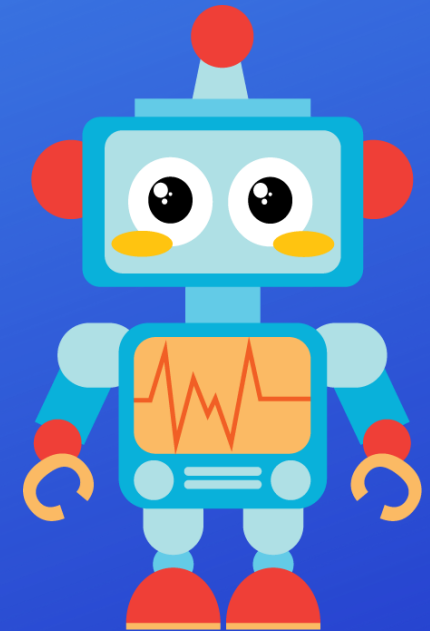

How was Ron similar to Jesus?
(e.g. being a light in the darkness, saving Barney etc)

RON'S GONE WRONG

BEING A FRIEND

FAMILY FILM NIGHT!

Activities

While you're doing the activities, have a chat with one another. What spoke to you in the film? Where do you see yourself/God in the film?

STEP 1

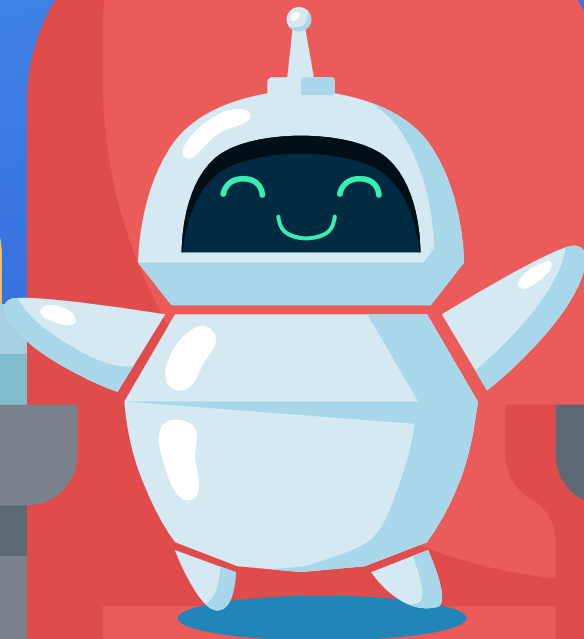

Cook dinner together!
Cook a dinner with chicken, how about chicken nuggets or chicken Kiev?

STEP 2

Snuggle in and watch the film!

STEP 3

Have a go at some of the activities

B-Bot

Design your own B-Bot by painting a hard boiled egg. Don't forget to give it a name!

Badge

Design a Best Friend badge to give to your friend.

Friendship Board

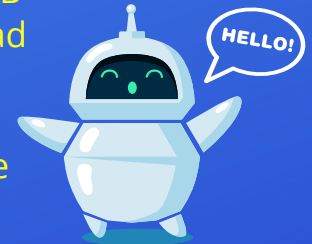

Work with a friend to create a friendship board like the one Barney made. What is your favourite bit of 'friendship code' on it?

Wondering

Before he met Ron, Barney felt completely alone. Have you ever felt alone or lonely? Is being alone the same as being lonely? What's the difference?

Ron was different from all the other B-Bots. Have you had (or do you have) a friend who was different or maybe didn't fit in? What did/do you like about them?

Ron's safety settings get turned off! He could say and do anything! I wonder what 'safety settings' you have as a friend? What would happen if you could turn them off?
