Older ages will be in the Safari Tents!

This year's theme is 'Story, Story, Story'.

**Whether this is your first time at camp,
or you have been before,
whether you come on your own or
with a group,
you will be sure of a warm welcome
and a fantastic camp.**

Come along and join us for an adventure during the summer half term.

Those in school year 7 have the choice to attend either the children's camp or the youth camp, or even both – an opportunity only available to year 7 students, and comes with a helpful discount of 50% on the youth camp price.

YOUTH CAMP

FOR SCHOOL YEARS 7 – 13 (AGES 11 – 17)

A great event for young people to come together, relax, make new friends and explore a Bible based theme through a varied programme of worship, outdoor activities and workshops.

The venue offers many of the favourite activities, high and low ropes courses, bouldering, archery, and campfire cooking. Laser tag and a host of resident animals, big and small, have also proved very popular.

We will explore the URC theme of 'Story, Story, Story', focusing on how we fit in to God's ongoing story.

There will be group time to explore the theme creatively, and there will also be plenty of time for games and challenges.

We also provide opportunities for young people to get involved with leading aspects of worship and music. Let us know in advance or at the camp, and bring your musical instrument and join in at your comfort level.

Young people will be staying in 'tepee' style bell tents, each with 6 camp beds, and decking. There is a cabin within the camping village for gathering in the evenings.

Everyone is guaranteed a warm welcome and we are sure you will have a fantastic weekend.
